

The Whitebull Hotel would like to offer its' services for your next function, meeting, celebration or informal get together, be it for business or leisure.

The Whitebull Hotel takes pride in being able to offer you a choice of experiences.

There is the Boardroom, a large private room located on the second floor, the perfect location for your work meeting or group function, that also offers the added advantage of a large old world style verandah, a great break out option.

At The Whitebull we are excited to be able to tailor a package to suit you. Be it stand alone room usage, day and evening meetings, or perhaps a total experience including a superb dining package.

If you are planning a dinner celebration, then look no further than The Steakhouse Restaurant, offering a full a la carte service or to the Bistro which delivers a casual alternative menu. Another option is to tailor a menu to your particular requirements, be it a working lunch, set menu, finger food or simply coffee and cake.

And of course there is the in demand cocktail lounge, perfect for a relaxed and informal evening– comfortable lounges, warm log fires, a freshly made cocktail and good company.

Many local businesses are also taking advantage of being able to phone ahead with their lunch orders and also of having regular after work drinks, nibbles or lunch/dinner at The Whitebull and of having the convenience of a charge back account.

I'm sure you'll agree that The Whitebull Hotel is so much more than just a hotel and we look forward to assisting you in any way we can. Please feel free to contact me at your convenience.
